4.After-sales service:

(1) After the initial confirmation by our company's technical staff as the quality of the company's product, the customer returns the product, and if it is finally diagnosed as a product quality problem, our company will bear the round-trip freight;

(2) The initial confirmation by our company's technical staff as the company After the product quality problem, the customer returns the product, and if it is finally diagnosed as a non-product quality problem, our company will bear the shipping cost of returning the product to the customer.

(3) Our company will not bear any costs for products sent back without authorization by our company's technical staff and business personnel.

The seller needs to actively cooperate with the buyer's sales, use, maintenance and other after-sales services. In the event of a special situation, the parties shall resolve the matter reasonably according to the circumstances. If return and exchange are required, the seller shall actively cooperate and the transportation and additional costs incurred shall be borne by the buyer. The buyer must ensure that the goods are in good condition and will not affect resale.

5. About delivery :

Before shipment, our company will issue a bill of lading to the customer. Customers need to confirm the contents of the bill of lading at the first time. If there is any objection, they need to contact our company for modification before shipment. If the bill of lading is changed after arrival due to the customer's reasons, the cost shall be borne by the customer.

When the goods arrive at the designated destination or port, the buyer shall pick up the goods in time. For any reason, the buyer should bear the cost of staying in the port and any other consequences. (Such as port miscellaneous charges, port fines, etc.)

6.Port of Destination Liability :

The customer should have the ability to clear customs. If the goods cannot be cleared due to the customer's reasons after the goods arrive at the port, the loss caused by the customer shall be borne by the customer.

7.About destination country standards:

If the country where the customer is located has special requirements or standards for the import customs clearance of the products purchased by the customer, the customer should confirm and verify before the company delivers the goods. After the goods arrive at the port, the customer temporarily makes

a request, which causes the delay or failure to pick up the goods, and the loss caused by the customer shall be borne by the customer.

8. Settlement of Disputes:

Any dispute arising from or in connection with the Sales Contract shall be settled through friendly negotiation. In case no settlement can be reached, the dispute shall then be submitted to South China International Economic and Trade Arbitration Commission (SCIA) for arbitration in accordance with its rules in effect at the time of applying for arbitration. The arbitral award is final and binding upon both parties.
